

PRESS RELEASE 02/2021

11th March 2021

Kamra tal-Periti and Vivendo Group Establish Collaboration Alliance

K A M R A T A L - P E R I T I

To support members of the profession in achieving excellence in their practice of architecture and engineering in the interest of the community

The Kamra tal-Periti is delighted to announce the signing of a Partnership Agreement with Vivendo Group.

The signing of this agreement forms part of a new strategic direction embarked upon by the Kamra to increase value to its members in the Architectural Profession. The Kamra is teaming up with a selected number of leading partners in the building and construction industry with a view to provide value and resources such that the Kamra may play a more effective role with its members and interested stakeholders.

This collaboration between Vivendo and Kamra tal-Periti is a consolidation of the last few years of strong commitment between the two parties. In this respect, the Vivendo brand will sit side by side with that of the Kamra in each initiative tackled jointly. By providing invaluable resources that are channelled towards the improvement of the built environment in Malta, Vivendo is placing itself at the forefront of supporting the Kamra. By working with Malta's architects, Vivendo creates spaces that look great and feel great focusing primarily on the furnishing and finishing of office spaces, hotels and gyms.

Vivendo will benefit from direct exposure with the community of Periti operating in Malta. Similarly, the Kamra and Vivendo will co-organise two specialised training sessions per year for Periti and their staff on innovative trends, products, and materials.

To this end, as part of this agreement, Kamra members will have exclusive access to training and educational webinars, in collaboration with Vivendo's key partners including Vitra, Technogym, Rockfon and Frezza, who are at the forefront of international design trends and solutions in the building and interior design industry.

Speaking at the signing on behalf of Vivendo, Christine Gingell, B2B Development Manager said that the Group is a firm believer in close relations and communications with the architecture profession and this agreement addressed this philosophy. *"We look forward to working closely with the Kamra tal-Periti and we are confident that the exposure will result in mutual benefits for the company as well as for the Periti. The architects' community has always been at the core of our business. With the support of our key brand partners, we will continue to support the architects and the industry with sustainable solutions in executing their design concepts".*

KTP President, Andre Pizzuto commented that the Kamra was delighted to form this new alliance with Vivendo. *"We are confident that this agreement paves the way for a new approach at the Kamra by which we are able to team up with market players which share our ethos and vision for higher standards and professionalism in the local Construction Industry and in the process enhancing quality of life for the Maltese people both through a finer built environment for Malta."*
