TEAM OF PERITI BEHIND KTP'S PROPOSAL MEET IM TO EXPLAIN MSIDA PARK PROJECT

Following a meeting held yesterday between the President of the Kamra tal-Periti (KTP) André Pizzuto and Minister for Transport, Infrastructure and Capital Projects Chris Bonett, another meeting was held this afternoon between members of the design team behind KTP's Msida Park project and IM's civil engineers. The purpose of the meeting was to explain the urban design and planning concepts behind the project to facilitate its development and implementation.

The parties are to reconvene at a future date to provide IM with the time necessary for the technical development of the new project. The KTP team committed to remain available to assist with its technical expertise as needed.
