## MINISTER OWEN BONNICI VISITS PALESTINIAN STUDENT WORKSHOP ORGANISED BY KAMRA TAL-PERITI

*Żejtun, Malta* - On Tuesday, 23 July, Kamra tal-Periti's President, Perit Andre Pizzuto, welcomed Hon. Owen Bonnici, Minister for National Heritage, the Arts, and Local Government, at the Parish Hall in Żejtun, where he had the opportunity to engage with the students from Birzeit University. This visit allowed him to observe the students' interaction with the local community and their application of insights to the redesign of Misraħ Santa Marija. The ambassador of Palestine for Malta, H.E. Fadi Hanania, was also present, reinforcing the atmosphere of collaboration.

This workshop, part of the Palestinian Student Initiative of Kamra tal-Periti in cooperation with the Architects Association in Palestine, forms a crucial part of the ongoing collaboration within UMAR (Union of Mediterranean Architects) to foster architectural innovation and cross-cultural exchange across the Mediterranean.
