

## **BCA GUIDELINES FOR THE PROCESSING OF APPLICATIONS**

Further to the BCA “Informative Session” (sic) held yesterday, the Council of the Kamra tal-Periti hereby notifies members of the profession that contrary to statements made by BCA management, the Council was never consulted about the Guidelines published and circulated on the day, even less so agreed to its contents.

Indeed, the Council disagrees with the processes contained within this new document, which it read for the first time yesterday evening, on several grounds. In particular, the Council notes the fact that the guideline further exacerbates the BCA’s misinterpretation of the provisions of S.L.623.06 (L.N. 136 of 2019, as amended).

[The Council shall be elaborating further during the Extraordinary General Meeting to be held on 26<sup>th</sup> May 2022 at 4pm at the Catholic Institute, Floriana.](#)
