CIRCULAR 14/2020

8th June 2020

RE: COVID-19 Pandemic: Lifting of restrictions

By means of Legal Notice 232 of 2020, Government repealed a number of Legal Notices published during the pandemic, including the Protection of Vulnerable Persons Order, 2019.

In view of this, Directive 11/20 regarding Vulnerable Individuals & Site Inspections is hereby repealed.

Although certain restrictions have been released, it is noted that the pandemic has not yet been declared to be over, and therefore certain measures should still be implemented, particularly those relating to social distancing. Reference is here made to Circular 13/20, which presents various recommendations that may be followed as applicable.

Meanwhile, kindly note that the Occupational Health and Safety Authority (OHSA) has issued a document entitled 'COVID-19 and your Workplace: FAQs', which brings together the most frequently asked questions regarding COVID-19 and workplaces.

Yours sincerely,

Perit Simone Vella Lenicker
President
