*To support members of the profession in achieving excellence in their practice of architecture and engineering in the interest of the community*

**DIRECTIVE 03/2019**

24th June 2019

**RE: Change of Perit in cases of Public Safety**

Following the Extraordinary General Meeting of the *Kamra tal-Periti* held on Friday 21<sup>st</sup> June 2019, wherein it was unanimously agreed that public safety must be given priority over any other concern, the *Kamra tal-Periti* is hereby giving notice to all members of the profession of a directive that was also unanimously approved during said EGM.

*Periti* are hereby authorised to refuse to sign a Change of Architect Form in cases where they have submitted a report to the Building Regulation Office stating that the Developer *qua* owner/employer or the Contractor/mason have refused to follow their instructions on matters related to structural integrity. In line with the EGM's decision, the Council of the *Kamra tal-Periti* will consider any actions by another *Perit* to take over the works concerned as constituting "supplanting" in terms of Provision 4 of the Code of Professional Conduct.

*Periti* are reminded that the Council of the *Kamra tal-Periti* is empowered to take appropriate action in terms of the *Periti Act* in case of breach of this Directive.
