

VACANCY

PERIT

A vacancy has arisen for a full-time post of PERIT in a design office. The ideal candidate must have a minimum of two years' experience in a similar position and should be proficient in:

- a. The preparation of concept and detailed design for medium scale projects,
- b. The preparation and follow-through of MEPA applications,
- c. The preparation of technical specification, budget estimation and tender documentation.

Whilst it is expected that the candidate is well able to participate in a design team, he must also be capable to execute projects on his/her own with minimal supervision. It is therefore assumed that the candidate shall have good interpersonal skills, shows initiative and a high degree of enthusiasm towards his role.

Candidates with a demonstrable understanding of construction methods from both the architectural and the structural streams will be considered.

Applicants are invited to send a covering letter accompanied by a detailed CV and a sample portfolio to robert.sant@dtms.com
